Leo - Short Kit	Fiberglass Fuselage, cowl, pan, foam cores, canopy, plan.	(Coming soon)

- I also have many wheel pants of various sizes not yet listed if you need a specific size please ask and I will see if I have it.

Shipping Quote

E-mail me your address and what you want to order and I will give you a total.

Usually for most of the short kits can Ship USPS within the U.S.A. lower 48 states with insurance for around \$40.00 for East coast and around \$25.00 to the West Coast.

Shipping

We ship Worldwide. We ship the most affordable method to your area & insure all shipments. If you receive a damaged package please report it to us immediately and save all packing etc. Take photos and send them to us showing all damage to the exterior of the package and the contents.

Handling

This is \$25.00 per most Short Kits \$50.00 for larger two box kits. It is for the cost of the box or boxes used and packing supplies and time. For smaller parts the handling is much less or none if we have a box or can use a USPS supplied box.

Insurance

Insurance cost is added to all shipments. It is approximately \$5.95. If not it just seems like something always gets damaged.

Payment Options

- Payment can be made by personal check
(Please allow time for the check to clear the Bank if using this option.)
- Payment can be made by USPS Money order same as cash.
- Payment can be made by PayPal. Please add 3% to your total.
- PayPal account: rcair@gmail.com
- Prices are plus Shipping, Handling & Insurance
- Prices are subject to change

Plane or Part Contributors

Thanks to those that have loaned or given your parts and planes to me. Without you none of this would have been possible.

All the parts and short kits are offered at the lowest prices possible. To date the efforts had been to save these great pattern planes. So far I've invested my time and money into making the molds.

Sales have been good but have only covered about 70% of the cost to date. If you have a plane that you think may be a keeper and would like to see it saved send me an email at rcair@gmail.com and we can talk about it.

Thanks for Looking
