From Southbound I-75, take Exit 9, South Otter Creek West. Turn left onto Dixie Highway. Turn right on Stein. Take to Minx Road, turn right. The Weak Signals field will be about a mile on the left. From Northbound I-75, take Luna Pier Exit 6, travel West to Minx Road. Turn right. Entrance to field is just past Rauch Road on the right.

Note: Rauch road has been resurfaced so it is much better than prior years. There is one small stretch between M-125 (Dixie Highway) and US-24 (Telegraph) that is rough, but the rest of it is good.
