2024 AMA R/C Pattern Nationals

July 29 – August 2, International Aeromodelling Center, Muncie, IN

Registration is open for the 2024 US Pattern Nationals hosted by NSRCA. Sportsman, Intermediate, Advanced, Masters and F3A are all being flown, plus the Nationals serve to select the US Team for the 2025 World Championships!

Come join your friends and enjoy the camaraderie of friendly, yet top competition. National Champions will be crowned in each class at a banquet Friday evening. Social events are being planned during the week so pilots can meet and compare war stories from the day's competition.

Additional information may be found at https://www.nsrca.us/index.php/nats/2024. To register: https://www.modelaircraft.org/events/nats-2024-rc-aerobatics. Please note that registration closes on June 30th, and there is no late registration.
